If last week's 'ear worm' was ♪♪ dom, dom dom dom dom dom....dom, dom dom dom dom....♪♪♪♪, then this week's goes some thing like ♪♪ La La La La La La, La La La La La La, La La La La La La ♪♪

Sing! Sing a song!

With much planning we are continuing with our end of June PUC tradition as this Sunday is a time to celebrate the ministry of music and the amazing ministry of our PUC Choir with our "Greatest Hits 2020" Video Worship Gathering.

Thank You- Sally, Shelley, David and each and every member of our Choir for your passion, commitment and gifts which uplift us and enrich us week after week. You folks are the best and I am truly grateful to join with you in worship.

Sunday is indeed a music-filled worship celebration ♪ Our 'At Home Worship Gathering For Sunday June 28th' is available for download from our PUC website (under the "Worship Resources", then "Bulletins" Tab), I will be sending it out by email to those who have requested me to do so, and, as always, printed copies are in the folder on the PUC front doors.

***** if you want to be added to my distribution list- please be in touch. This is even more important as we move into the Summer months *****

Last week I lifted up some of my /our plans for Summer 2020 @ PUC. I do hope and trust, that as we plan for and look toward face to face re-gatherings, that we can use these summer weeks as a time of refreshment and renewal.

As this point I do know that I will be taking some time for my 'stay-cation', but I will also be here and available. With the easing of COVID restrictions I would like the opportunity to check-in and catch-up with you. So, if you would like to safely visit together, please be in touch so we can plan a time and place to do so. 🌸 *ps... 'SPIRIT GLEN' is a perfect place for us to visit, for you to visit with one another and for all of us to rest, reflect, and restore. While you are there check-out the vegetable garden beds that have been planted by three of our PUC families and their children & grandchildren.*
