

Summer 2024 with Flat Jesus

Summer 2024 with Flat Jesus

Many of you may be familiar with the book *Flat Stanley* by Jeff Brown. In the book, a boy named Stanley becomes flattened and is able to be mailed to different places; having all kinds of remarkable adventures.

This Summer, our *Flat Jesus* project is one way to keep our church family connected and be reminded that Jesus goes with us wherever we go!

Unlike *Flat Stanley*, your *Flat Jesus* will not be mailed to other people, but rather we invite you to take *Flat Jesus* on your Summer adventures – to the park; the library; the beach; church in Spirit Glen; a friend's house; to Summer camp; on vacation. *Flat Jesus* can join you as you play sports; eat ice cream; go on a day-trip; enjoy a family picnic or wedding.

Wherever you go remember to invite *Flat Jesus* join you!

So during Summer 2024 we would like you to :

- ⇒ use your journal book to write or colour or doodle about your *Flat Jesus* adventures!
- ⇒ take pictures of your *Flat Jesus* as he enjoys his Summer with you ! It can be *Flat Jesus* on his own or perhaps you might take some selfies or maybe take pictures of those friends *Flat Jesus* meets along the way.
- ⇒ Through the Summer, ask your parents email your photos to Dorothy clifbush@eastlink.ca and we will create a way to share your Summer adventures when we re-gather in the Fall.
- ⇒ and if it is ok with your parents, ask them to post your *Flat Jesus* photos to our PUC Facebook page  and tell us all about what you and *Flat Jesus* are up to :)

Most Importantly – Have fun!
Remember that Jesus is with you always,
and know that as you tell others about your *Flat Jesus*
you are also sharing the message of God's love-
at work in Jesus and at work in us!

Enjoy your Summer and your *Flat Jesus* adventures!
We can't wait to hear and see all about it.

And remember God's love and our love goes with you!
Jeannie, Dorothy, Joan, Beth, Anne,
Jeannie F. and Rev. Mary-Beth.

A people of faith making a difference
in our community and our world.
