Subject: A Not To Missed Sunday and Mary-Beth Friday email :)

**This Sunday- on the calendar 'Mother's Day';
on the church liturgical calendar ' Christian Family Sunday';
and on our PUC calendar,
NOT TO BE MISSED!!!**

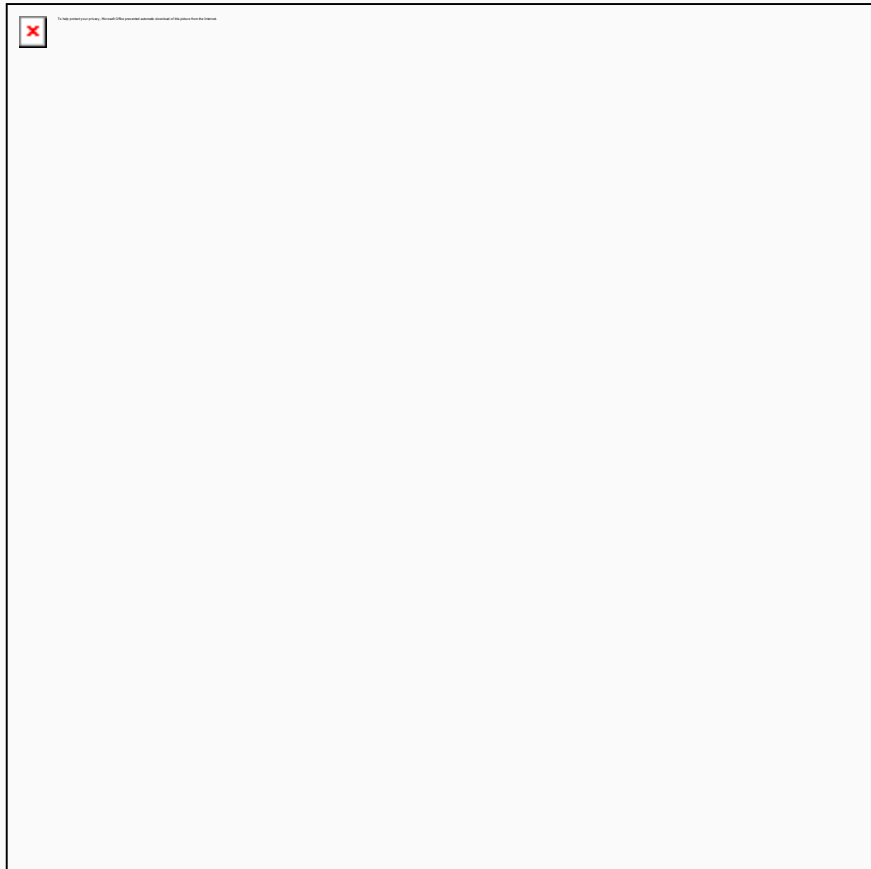

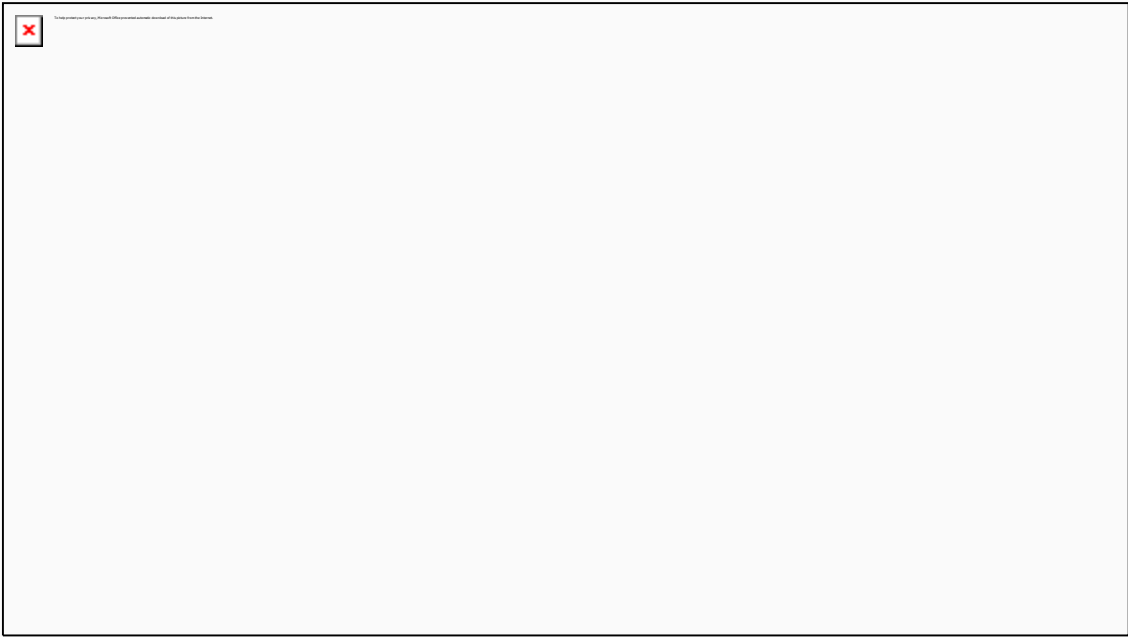

**Author Kurt Vonnegut once said that '*music is proof of the existence of God*'. Indeed music speaks deeply, enfolds tenderly, touches profoundly and holds a power to transform us-
and through us, our world.**

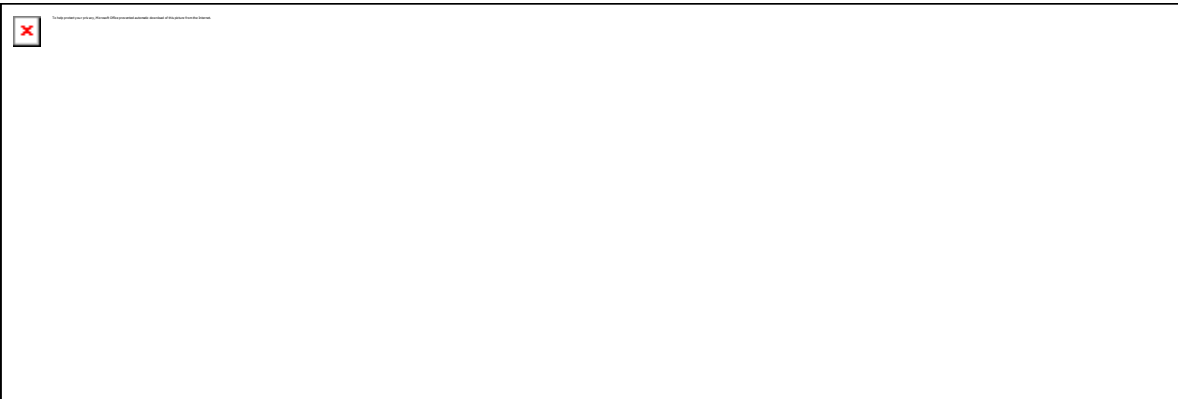

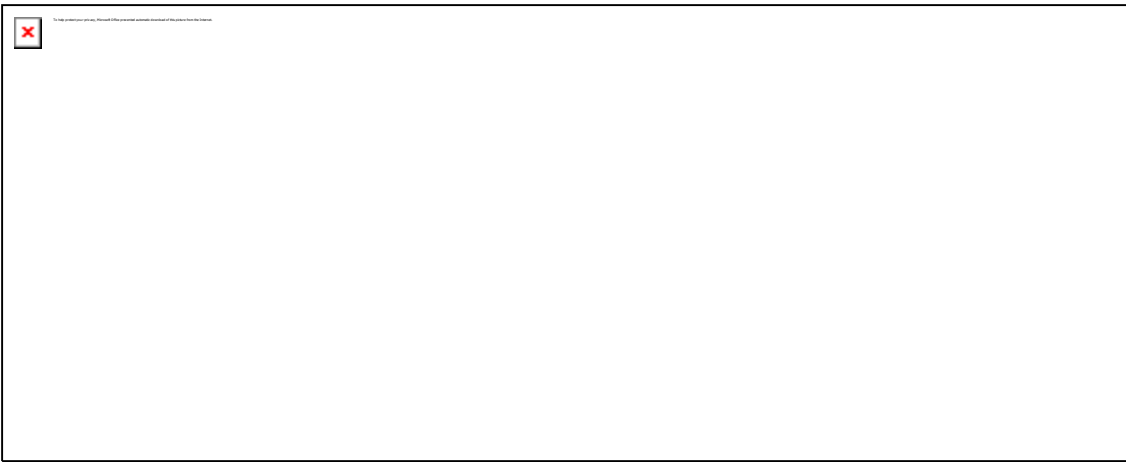

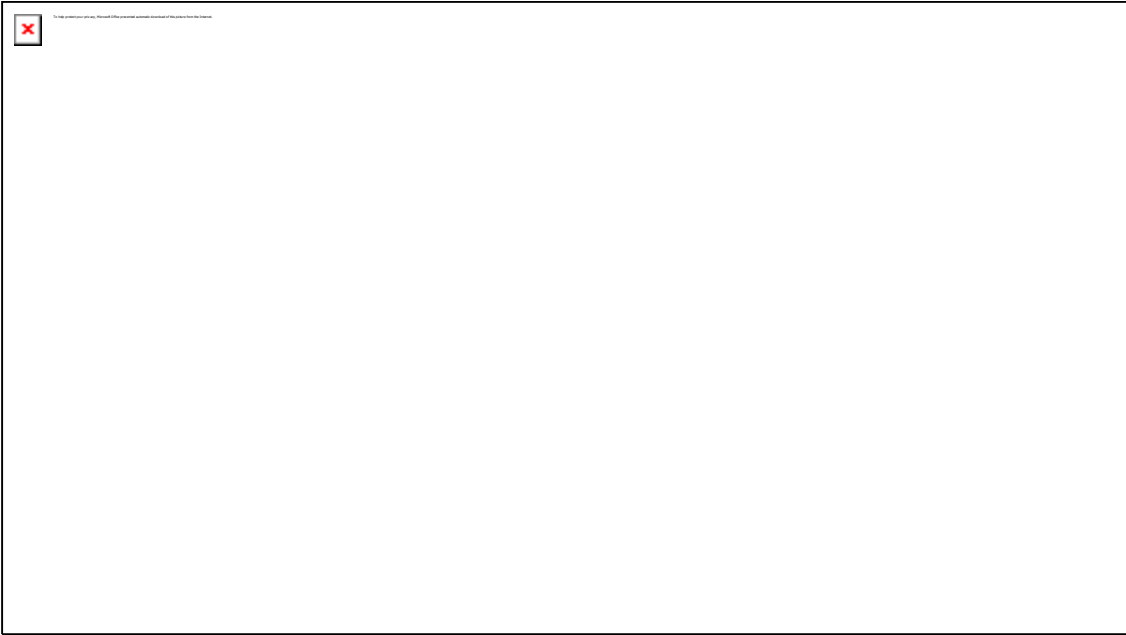

And so this Sunday is a **NOT TO BE MISSED Mother's Day - Christian Family Sunday gift as we welcome professional and concert harpist, musician and teacher Gianetta Baril who gifts of music will fill us and
our sanctuary.**

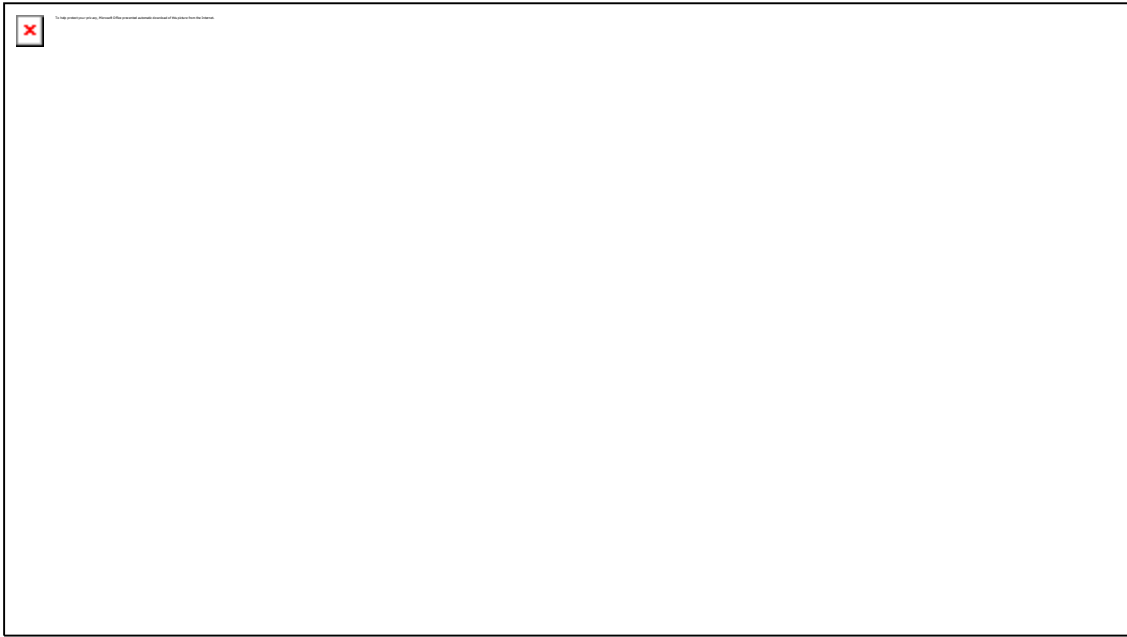

Help us share her transformative gifts, by extending the invitation to family and friends to join in a music-filled worship.
